Course No.	23H02
Date	08.12.2023
Location	Virtual training (Zoom)
Time	9.00 - 10.30
Price	CHF 180.-- incl. participation, documentation

Background

The ongoing changes in human resources and payroll are a challenge for companies. But they should be recognised and implemented correctly. A MUST for all those who do not want to laboriously compile the most important aspects themselves.

I shed light on the various legal areas such as social security, taxes / wage statement, withholding taxes, labour law and others. In addition to a review of the year 23, the already known changes for 1.1.2024 and later are presented.

Among other things, I will deal with current topics such as:

- AHV/OASI 21 - the need for changes in payroll for 2024, important aspects for HR
- Overview of the regulations in the area of teleworking and information needs in the companies
- Necessary documents and information for employees
- Cross-border commuter agreement Italy from 1.1.2024 with changes in payroll accounting
- etc.
